

## FINDING THE FACTS ON VACCINATION

**THE WORLD HEALTH ORGANIZATION PROVIDES US WITH EVERYTHING WE NEED TO KNOW ABOUT COVID-19 AND VACCINATION**

The World Health Organization (WHO) has proven to be a reliable and informative source for information around COVID-19 as well as the available COVID-19 vaccines. We believe that using recognised sources such as this is vital to an accurate understanding of the situation. We encourage you to visit these links, should you have any queries.
