

YOUR TRUSTED SOURCE FOR TALENT FOR 25 YEARS

As we celebrate and reflect upon our 25th anniversary, we are reminded of our business partners' invaluable contribution, since 1996, towards MHR's continued success.

Our special theme for this year, 'We are because of you', is derived from the proudly South African term 'Ubuntu' - 'I am because you are'.

We identified, once again, the value of collaboration and collective ability. The success of MHR would not have been possible without the partnership of our clients and the shared efforts and teamwork of our personnel and panel members. We express a heartfelt thank you to all our partners, and stand in awe of your meaningful contribution to our journey as a 'Trusted Source for Talent'. May the future hold more opportunities for us to share initiatives.

We are because of you!
