

# A SPECIAL TRIBUTE TO OUR MEDICAL PRACTITIONERS

## 16 NOVEMBER 2021 - NATIONAL DOCTORS' DAY

As we celebrate **National Doctors' Day** on Tuesday, 16 November 2021, we pay special tribute to our medical practitioners who work so diligently to ensure the health and safety of our country's people. We stand in awe of your courage and resilience, as well as your selfless determination to save lives - often under exceptionally challenging circumstances.

Your partnership and unwavering contribution to the health of your fellow South Africans allow us to be a 'Trusted Source for Talent'.

**We are because of you!**
