

# A FOOTNOTE TO WARM THE 'SOLE'

## ADMINISTRATIVE PROFESSIONALS' DAY - 4 SEPTEMBER 2024

On this special day, we want to thank our MHR members for always stepping up to the plate when needed. We appreciate your unwavering dedication to our clients and our clients' patients every day.

Here is a light-hearted joke: 'What did one new sock say to the other? Great things are afoot!' We just want to let you know how much we appreciate you by saying: 'You knock our socks off!'

Your hard work forms the building blocks for every positive step we take.  
Thank you for everything you do!
