

A SPECIAL TRIBUTE TO OUR PHARMACY PROFESSIONALS

25 SEPTEMBER 2021 - WORLD PHARMACIST DAY

Dear MHR Client and Pharmacy Professional,

As we celebrate **World Pharmacist Day** on Saturday, 25 September, we wish to extend a heartfelt thank you to all pharmacy professionals for the exceptional work you do and the instrumental role you play in the health and wellbeing of your fellow South Africans. Your diligent efforts help people to maintain their health, which improves their quality of life.

No wonder this year's campaign focuses on 'Trust' with the theme 'Pharmacy: Always trusted for your health'. Your partnership and significant contribution to our country's people allows us to be a 'Trusted Source for Talent'. **We are because of you!**
