Please refer to the policy statement on the following page.

POLICY STATEMENT

- All healthcare professionals (**excluding locum medical practitioners), care workers and porters who are working at **Mediclinic or ER24 clients** are covered by the client's group insurance. **Refer to the section below for more information regarding indemnity cover for locum medical practitioners and permanent Mediclinic medical practitioners.
- All healthcare professionals, care workers and porters who are working at **non-ER24 and non-Mediclinic clients** need to take out individual Medical Professional Indemnity cover at a provider of their choice and submit certified proof of cover to MHR.

It is the panel member's responsibility to ensure that he/she has adequate cover. MHR recommends the following minimum cover per job description:

Minimum R2.5 million	Minimum R5 million	Minimum R10 million
Care workers	EN	Midwives
ENA	PN	
BLS	Pharmacists/Assistants	
All other healthcare panel members not listed in this table	ALS	
	ILS	

- ****Locum** medical practitioners (Emergency Centre Doctors) who are working through MHR at **any MHR client**, need to take out individual Medical Professional Indemnity cover at a provider of their choice and submit certified proof of cover to MHR.
- ****Permanent** Mediclinic medical practitioners (Emergency Centre Doctors) who are working at **Mediclinic clients** are covered by the client's group insurance. If the permanent Mediclinic doctor works at **non-Mediclinic** clients he/she needs to take out individual Medical Professional Indemnity cover at a provider of their choice and submit certified proof of cover to MHR.
- Renewal of indemnity cover is the responsibility of the panel member and failure to provide certified proof of renewed cover could lead to the temporary deactivation of the panel member's profile on the MHR system.
